Entry 124

The diagram illustrates a database entry structure. At the top, the label "Entry 124" is centered above a wavy line. Below this line, there are two horizontal labels: "Attribute Types 120" on the left and "Attribute Values 122" on the right. A curved bracket spans from the left side of the "Attribute Types" label to the right side of the "Attribute Values" label, enclosing the entire table. The table itself consists of four rows, each with a key-value pair. The first row has "cn:" as the key and "Barbara Jensen" and "Babs Jensen" as the values. The second row has "sn:" as the key and "Jensen" as the value. The third row has "telephonenumber:" as the key and "+1 408 555 1212" as the value. The fourth row has "mail:" as the key and "babs@airius.com" as the value.

	cn:	Barbara Jensen Babs Jensen
	sn:	Jensen
	telephonenumber:	+1 408 555 1212
	mail:	babs@airius.com
